LETTER

Sir:

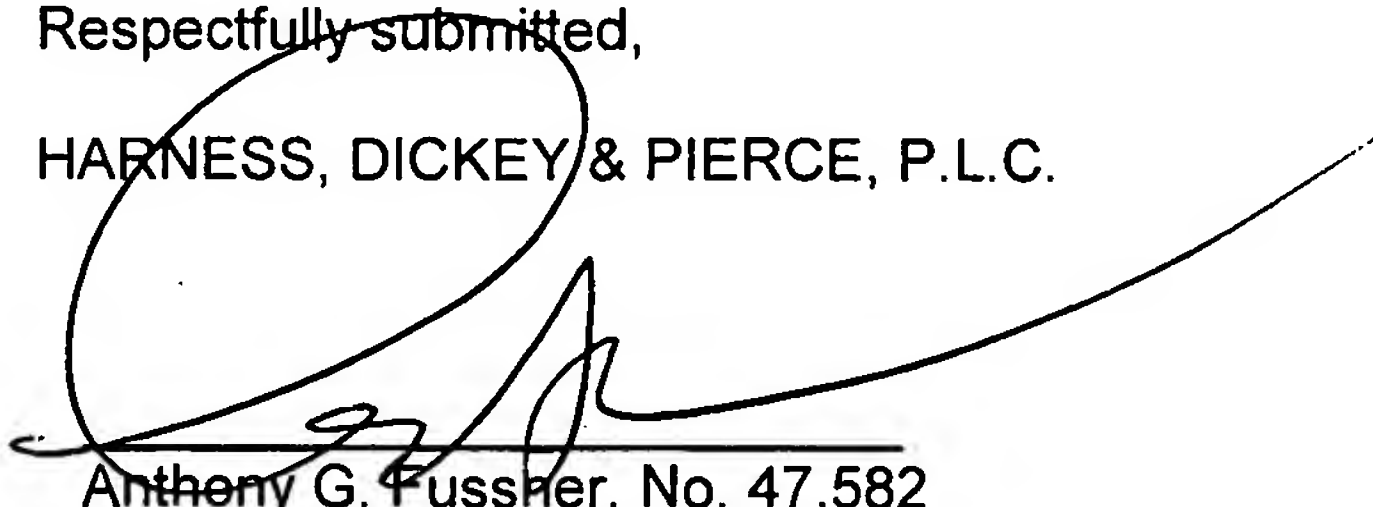

This is in response to the Decision On Papers Under 37 CFR 1.42, and specifically, the difference in the names in the third-named inventor (Anthony Witham) between the published international application and the declaration. The correct spelling for this inventor is Anthony Witham as set forth in the declaration. The incorrect spelling of this inventor name in the published international application was due to a typographical error in the PCT application form. Accordingly, the correct spelling of this inventor's name is **Anthony WHITHAM**.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. **08-0750** for any additional fees, including extension of time fees. If additional information is needed, please telephone the undersigned directly at (314) 726-7502.

Respectfully submitted,

HARNES, DICKEY & PIERCE, P.L.C.
